

FREE COVID-19 CLINIC

COVID-19 TESTING IS OPEN NOW AT KOOLYANGARRA ABORIGINAL FAMILY CENTRE, CRANEBROOK.

NSW Health is partnering with Nepean Community & Neighbourhood Services (NCNS), and Nepean Blue Mountains Local Health District's (NBMLHD) Public Health and Aboriginal Health Units, to implement FREE COVID-19 testing in your local community, in collaboration with Histopath diagnostic specialists.

Both a drive-through and walk-up service is available. The friendly team will give you all the info you need to step you through the process. Come on down and get your FREE COVID-19 testing done locally, with people you know, in your neighbourhood.

NO Booking, NO need to call ahead, just come along. You will be directed at the site where to go and what to do.

Test results will be SMS-ed to the patient within 48 hours, though usually the next day.

WE ARE OPEN NOW – we would love to see you for safe testing in your local community!
