

TASTE OF EVERYTHING

Taste of Everything is a women's social group with no age limit. Learn to knit, crochet, quilt. We also have ladies versed in flower arranging. On occasion a guest speaker will be invited. We lunch, ten pin bowling and go on daily bus trips to points of interest as well as help disadvantaged groups with grants from Penrith council. We share information that may help others such as available services or our own experience.

No joining fee but \$5 each week goes towards morning tea & anything needed for group activities. Money banked each week & balance dispersed in December according to number of \$5's contributed. Everyone invited to contribute to the agenda but no compulsion to participate. Attendees can bring along their own activities. We are a welcoming group of ladies enjoying life and company.
