For Bounce Mobile Dentistry

0-18 yrs Check Up Essential Criteria:

We cover up to \$1,095 over 2 calendar years for basic dental services under CDBS. The cap amount is indexed yearly on 1 January. The increase in cap amount will only apply to a child or teenager who received their first eligible service in that calendar year. The services we'll cover include any of these:

- check-ups
- fillings
- X-rays
- root canals
- cleaning
- extractions
- fissure sealing

There are some restrictions for basic dental services. You should check with your dentist if there are any item or time restrictions before starting your service. Bookings are essential for the day to avoid disappointment
